DECLARATION
(ORCP Rule 1E)

I, Aaron Dale Eaton, do declare that:

by an agreement, my P.F.T's (Pulmonary Function Test) were looked at by a specialist, after review of both P.F.T's and the "Peak flow" tests, the specialist re-ordered my COPD-Asthma of Fluticasone/salm which is a steroid for lung damage. When the provider (Mavis) told me I was going back on both the steroid inhaler and my rescue inhaler I asked if the damage was "forever" she replied "yes," that's the impression I got. I then asked could the damage to my respiratory system be avoided she replied "probably if caught sooner."

"I HEREBY DECLARE THAT THE ABOVE STATEMENT IS TRUE TO THE BEST OF MY KNOWLEDGE AND BELIEF, AND THAT I UNDERSTAND IT IS MADE FOR USE AS EVIDENCE IN COURT AND IS SUBJECT TO PENALTY FOR PERJURY."
